**EU TYPE-APPROVAL CERTIFICATE
for non-original motorcycle exhaust**

EMISSIONS NOTICE

Several U.S. states and the U.S. federal government have individual laws regulating the use of aftermarket exhaust parts and systems, especially as those parts and systems modify, remove, or replace original equipment catalyzers. Please consult the appropriate laws in your area before installing any aftermarket part or system on your vehicle to ensure compliance with all applicable laws. Neither HP CORSE/Steelform Srl nor its distributors or the sellers of the parts or systems make any statement that any of their parts or systems comply with any such laws.

California laws prohibit the use of any aftermarket exhaust part or system that modifies, removes or replaces original equipment catalyzers unless the California Air Resources Board has issued an Executive Order regarding such part or system or unless the part or system is exempted by being used only on racing vehicles on closed courses. Neither HP CORSE/Steelform Srl nor any of its distributors make any statement that any of their parts or systems has received such an Executive Order or that any of their parts or systems conform with the racing vehicles exemption. The purchasers are entirely responsible for informing themselves of applicable California laws and to comply with those laws.

INFORMAZIONI

I singoli stati e il governo federale degli Stati Uniti hanno leggi che regolano l'uso di parti e sistemi di scarico aftermarket, soprattutto perché tali parti e sistemi possono modificare, rimuovere o sostituire i catalizzatori delle apparecchiature/terminali originali. Si prega di consultare le leggi appropriate nella propria zona/stato prima di installare qualsiasi parte o sistema di scarico aftermarket sul proprio veicolo per garantire la conformità a tutte le leggi relative e applicabili. Né HP CORSE/Steelform Srl né i suoi distributori e/o rivenditori e/o venditori delle parti o dei sistemi rilasciano alcuna dichiarazione che una qualsiasi delle loro parti o sistemi sia conforme a tali leggi.

Le leggi della California proibiscono l'uso di parti o sistemi di scarico aftermarket che modificano, rimuovono o sostituiscono i catalizzatori delle apparecchiature originali a meno che il California Air Resources Board non abbia emesso un ordine esecutivo relativo a tale parte o sistema o a meno che la parte o il sistema non sia esentato per essere utilizzato solo su veicoli da corsa su percorsi chiusi. Né HP CORSE/Steelform Srl né alcuno dei suoi distributori e/o rivenditori e/o venditori rilascia alcuna dichiarazione che una qualsiasi delle loro parti o sistemi abbia ricevuto un tale ordine esecutivo o che una qualsiasi delle loro parti o sistemi sia conforme all'esenzione per i veicoli da corsa. Gli acquirenti sono interamente responsabili di informarsi sulle leggi della California applicabili e di rispettare tali leggi.
